Xianna Michaels is a poet, novelist, artist, calligrapher, and teacher. She holds a Master of Arts degree in Linguistics, was a high school teacher for many years and wrote a number of award-winning historical novels before focusing on her first love of poetry. An observant Jew with a Chasidic soul, she now creates and teaches poetry, art and verse fairytales in the pursuit of spiritual and even mystical connection. She is the creator of The Alchemy of Illuminated Poetry® process as well as the Xoem™ verse form, both powerful vehicles for inner transformation.

Xianna Michaels created her publishing company after realizing her writing style didn't fit into a typical publishing category. Knowing she had to share her stories with the world, Alcabal Press was born. You can interact with Xianna via her online journal XiannaMichaels.com/journal or through Facebook Facebook.com/Xianna.Michaels or simply through email xianna@xiannamichaels.com.
